Kick in Face Saves Life.

R. B. Burnett, a New Orleans man, was run over by a train and escaped with his life. He has nothing to show for his experience except a bruised cheek where the boot of his rescuer glanced from his shoulder and struck his face. Mr. Burnett owes his life to the kick administered by a stranger, who saw there was nothing else to do, and, waiving formalities, kicked Mr. Burnett into the middle of the track just in time. Mr. Burnett lay quiet between the rails until the dozen or more cars had passed over him.

Football in a Kentucky Bible School.

For the first time in its history the students of the Kentucky University Bible college at Lexington will be allowed to play football this year, says the Cincinnati Commercial Tribune. President J. J. McGarvey has always declined to permit his matriculates to play, but such pressure was brought to bear upon him by the university proper that he recently announced in chapel that the students may play.

WATCH YOUR KIDNEYS

Don't Neglect the Dangerous Signal.

Backache is one of the first symptoms of kidney trouble. Dr. Gossom's Kidney and Bladder Cure is effective even in the worst cases of kidney and bladder trouble and especially if taken when you experience your first pain in the back, as it is easier to prevent kidney trouble than to cure it even with the best remedy.

J. W. Redman, 400 Main street, says: I was down with my back and it hurt me so that I could not get up without help. I got a sample of Dr. Gossom's Kidney and Bladder Cure. I have bought three 50c boxes since, and am now using the last of the second box. I have continued to get better right along and have no pains since I began using Dr. Gossom's Kidney and Bladder Cure.

This famous remedy is sold under the manufacturer's positive guarantee at 50c a box by
